

Item 19:

COVER PAGE

Type of Agenda Rule Item:

- ✓ **Discussion Only:** TEA staff will present rule items with an update, potential future rule changes, and/or seek SBEC direction on potential rule changes. TEA staff will draft rule changes from the board's discussion on the item and start preparing rule text for proposal to the board.
- ☐ **Proposal:** First SBEC reading (vote). SBEC members will give input on proposed rule text and will approve rule changes that will go out for public comment as a proposed rule with the *Texas Register*. Important to make substantive changes now because only non-substantive changes can be made at adoption.
- ☐ **Adoption:** Second and final SBEC reading (vote). Only non-substantive changes are permissible at adoption phase. If approved will go to SBOE for review and filed as an SBEC rule with *Texas Register* if SBOE takes no action.

Summary:

This item is a discussion of 19 TAC Chapter 229, which covers how educator preparation programs are held accountable to SBEC for preparing teachers. This item has potential draft rule text for SBEC discussion primarily concerning amending the pass rate definition for certification examinations, setting performance standards for principal evaluations, exit surveys of teachers, and the required observations for EPP candidates. TEA staff have held several stakeholder meetings on this chapter and the upcoming SBEC work session scheduled for June 9, 2016, will allow the staff to present important background and relevant issues related to this chapter for the Board's consideration for future rulemaking.

Statutory Authority:

All of the relevant statutes pertaining to this chapter are listed for you on the agenda title page and the entire statutory language is on Attachment I. This is always helpful in referencing the law the TEA staff was working under when preparing this item.

Item 19:

Discussion of Proposed Revisions to 19 TAC Chapter 229, Accountability System for Educator Preparation Programs

DISCUSSION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to discuss proposed revisions in 19 TAC Chapter 229, Accountability System for Educator Preparation Programs. As part of this item, Texas Education Agency (TEA) staff will provide an update and status to allow the SBEC to discuss the proposed amendments and/or revisions to the rules as the result of recent legislative changes, SBEC input, stakeholder input, and input received from staff at TEA.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 229 is the Texas Education Code (TEC), §§ 21.0441, 21.045, 21.0451, 21.0452, and 21.0454 as amended by House Bill (HB) 2205, 84th Texas Legislature, Regular Session, 2015; and 21.041.

BOARD RESPONSE: This item is presented for review and comment.

PREVIOUS BOARD ACTION: The SBEC adopted 19 TAC §§ 229.1, 229.2, 229.3, 229.4, 229.5, 229.6, 229.7, 229.8 and 229.9 effective April 18, 2010. Section 229.21 was adopted effective August 7, 2014. Sections 229.2, 229.3, 229.7, and 229.8 were last amended effective October 26, 2014. Sections 229.4, 229.5, and 229.6 were last amended effective March 22, 2015. Section 229.9 was last amended effective September 1, 2015.

FUTURE ACTION EXPECTED: Any proposed rule revisions to 19 TAC Chapter 229 would be presented to the SBEC for filing as proposed at the June 2016 SBEC meeting.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The SBEC rules in 19 TAC Chapter 229 establish the process used for issuing annual accreditation ratings for all educator preparation programs (EPPs). The TEC, §21.045, states that the SBEC shall propose rules establishing standards to govern the approval and continuing accountability of all EPPs. HB 2205, 84th Texas Legislature, Regular Session, 2015, requires that the SBEC develop criteria for the evaluation of EPPs based on teacher retention, success, and any other information necessary to enable the SBEC to assess the effectiveness of EPPs by January 1, 2016.

At the January 2015 SBEC Work Session, the SBEC members received three presentations on educator quality as it pertains to EPPs in the state of Texas. The Texas Teaching Commission, the Council for the Accreditation of Educator Preparation, and the National Council on Teacher Quality provided state and national perspectives on educator quality in relation to Texas EPPs. SBEC members provided feedback to TEA staff on those presentations. Specifically, as it relates to 19 TAC Chapter 229, the SBEC requested policy options that focus on raising EPP standards, improving teacher preparation programs, and new and improved ways to train better teachers.

The TEA staff also convened three face-to-face stakeholder meetings in December 2015 to gather input on the rules for proposed new 19 TAC Chapter 229, Accountability System for Educator Preparation Programs. The proposed rules, shown in Attachments II, III, and IV (proposed repeal and new figure), reflect input received from the SBEC and TEA staff-convened stakeholder meetings, but also includes additional changes since the draft rule text was shared at the December 2015 SBEC meeting. For this reason, TEA staff believe it important to first bring these rules back to the SBEC for further discussion in April 2016, which will allow additional time for stakeholder review and feedback prior to TEA staff proposing rules for the SBEC's consideration in June 2016. Following is a description of the proposed changes.

Definitions

Possible amendments to the definitions section may include:

- adding definitions of *accredited institution of higher education*, *certification category*, *certification class*, *intern certification*, *mentor*, *post-baccalaureate program*, and *site supervisor*;

 - the performance of candidates on all exams approved by an EPP for initial certification;
 - the percentage of teachers employed under a standard teaching certificate within one year of completing an EPP; and
 - the results of teacher satisfaction surveys.

Additional topics may be presented at the April meeting as stakeholder input continues to be provided.

- for pass rate performance on certification exams:
 - setting a separate pass rate for the results of Pedagogy and Professional Responsibilities (PPR) and non-PPR examinations after the 2015-2016 academic year;

Additional topics may be presented at the April meeting as stakeholder input continues to be provided.

(b) If an EPP has been assigned Accredited-Warned or Accredited-Probation status, or if the SBEC determines that additional action is a necessary condition for the continuing approval of an EPP to recommend candidates for educator certification, the SBEC may take any one or more of the following actions, which shall be reviewed by the SBEC at least annually:

- (1) require the EPP to obtain technical assistance approved by the Texas Education Agency (TEA) or SBEC;
- (2) require the EPP to obtain professional services approved by the TEA or SBEC; and/or
- (3) appoint a monitor to participate in the activities of the EPP and report the activities to the TEA or SBEC.

(c) Notwithstanding the accreditation status of an EPP, if the performance of all candidates admitted to an individual certification ~~class or category field~~ offered by an EPP fail to meet any of the standards in §229.4(a) of this title (relating to Determination of Accreditation Status) for three consecutive years, the approval to offer that certification ~~class or category field~~ shall be revoked. Any candidates already admitted for preparation in that ~~class or category field~~ may continue in the EPP and be recommended for certification after program completion, but no new candidates shall be admitted for preparation in that ~~class or category field~~ unless and until the SBEC reinstates approval for the EPP to offer that certification ~~class or category field~~.

(d) For purposes of determining compliance with subsection (c) ~~(b)~~ of this section, candidate performance in individual certification ~~classes or categories fields~~ in only the 2016-2017 ~~2012-2013~~ academic year and subsequent academic years will be considered. ~~To the extent of any conflict, this subsection controls over the requirements in §229.21 of this title (relating to Transitional Provisions).~~

(e) Performance indicators by gender, race, and ethnic groups shall not be counted for purposes of subsection (c) ~~(b)~~ of this section, relating to performance standards for individual certification ~~classes or categories fields~~. The proposed recommendation for SBEC action may include, but is not limited to, public reprimand, revocation of program approval, or the imposition of conditions upon continuing program approval.
- (c) TEA staff shall provide notice of the proposed recommendation for SBEC action relating to the EPP's continuing approval to recommend candidates for educator certification in the manner provided by §229.7 of this title (relating to Informal Review of Texas Education Agency Recommendations), and an EPP shall be entitled to an informal review of the proposed recommendation, under the conditions and procedures set out in §229.7 of this title, prior to the submission of the recommendation for action to either the SBEC or the State Office of Administrative Hearings (SOAH). If the EPP fails to request an informal review in a timely manner, the proposed recommendation will become a final recommendation.
- (d) Following the informal review, a final recommendation will be issued by the TEA staff. The final recommendation may include changes or additions to the proposed recommendation and such modifications are not subject to another informal review procedure.
- (e) If the final recommendation proposes revocation of approval of an EPP to recommend candidates for educator certification, within 14 calendar days of receipt of the final recommendation, the EPP may agree in writing to accept the final revocation without further proceedings or may request that TEA staff schedule the matter for a hearing before an administrative law judge at the SOAH, as provided by §229.8 of this title (relating to Contested Cases for Accreditation Revocation).

Appendix: Demographics Guidelines

ASEP will collect ethnicity and race information for candidates using the 1977 categories as well as using the new federal categories developed in 1997 as required by the United States Department of Education (USDE). The new federal category system requires that ethnicity and race be collected separately. It allows individuals to select multiple races. It requires all responses to be collected, but when reporting aggregate data to the USDE, a different set of categories is used for aggregate reporting. Beginning with the 2010-2011 academic year, Educator Preparation programs will report this information using the new categories only. The new categories are as follows:

<u>Ethnicity</u>	<u>Race</u>
<u>Hispanic or Latino</u>	<u>American Indian or Alaska Native</u>
<u>Not Hispanic or Latino</u>	<u>Asian</u>
	<u>Black or African American</u>
	<u>Hawaiian or other Pacific Islander</u>
	<u>White</u>

<u>Aggregate Reporting Categories</u>
<u>Hispanic or Latino</u>
