Request to Update Content Not Reviewed and Approved by the State Review Panel

Proposed changes shall be made available for public review on Texas Education Agency's website for a minimum of seven calendar days prior to approval.

Proclamation Year: 2024
Publisher: Studies Weekly, Inc.
Subject Area/Course: Science Grade 5

Adopted Program Information

Title: Texas Science Studies Weekly: Fifth Grade
ISBN: 9781649783851

Enter the identical Program Title of your identical product that will contain the identical updates.

Identical Program Title: N/A

Identical Program ISBN: N/A

Adopted Component Information

Title: N/A (adding a new component)
ISBN: N/A (adding a new component)

Enter the identical Program Title of your identical product that will contain the identical updates.

Identical Program Title: N/A

Identical Program ISBN: N/A

Publisher's overall rationale for this update

A direct Spanish translation of the print student edition is now available. We propose that the Spanish print student editions be made available for purchase in EMAT alongside the English student editions. We would also like to make the digital version of the English student edition available for purchase as an additional Online Only purchase option. There would still be an option to purchase the printed student edition with online access included.

Publisher's overall description of the change

Students and teachers would have access to a printed Spanish student edition along with the printed English student edition. Students and teachers would also have access to the digital English student edition as an Online Only option: the Texas State Board of Education has already approved the digital English student edition as a part of the original submission, and we would like to provide a separate Online Only student edition component for purchase.

Access Information

Enter access information below to the adopted version of the instructional materials and the proposed new content.

Currently Adopted Content URL: <https://online.studiesweekly.com>

Currently Adopted Content Username: TXSNadoption

Currently Adopted Content Password: Demo2023

Update to Content Not Reviewed by SRP

Proposed Updated Content URL: See [this linked PDF](#) of the printed Spanish student edition. Additionally, view <https://online.studiesweekly.com> to access the digital-only English student edition that has already been adopted.

Proposed Updated Content Username: TXSNadoption

Proposed Updated Content Password: Demo2023

Update comparison:

Each change in the component on this form should be documented in the update comparison below. You must submit a separate request form for **each component**, not each change. (Note: Repeat this section as often as needed by copying and pasting the entire area from the divided line above the **Description of the specific location and hyperlinking to the exact location of the currently adopted content** to the dividing line below the *Screenshot of Proposed New Content*.)

Description of the specific location and hyperlink to the exact location of the currently adopted content.

Visit <https://online.studiesweekly.com>. The username is TXSNadoption. The password is Demo2023. Click the Texas Science classroom card. Samples and Updated Samples are clearly labeled for each grade level.

Description of the specific location and hyperlink to the exact location of the proposed updated content.

Please see attached PDF representing the printed Spanish student edition that would be available to teachers and students.

Publisher's rationale for this change if different from overall rationale.
