TO THE ADMINISTRATOR ADDRESSED:

**SUBJECT: Industry Certification Recommendation Survey**

The division of College, Career, and Military Preparation (CCMP) is seeking recommendations from districts, employers, industry associations, and workforce boards on industry certifications they would like to see added the TEA accountability list. These certifications would be considered for the 2019-20 list of industry certifications for accountability. This [voluntary survey](#) is an opportunity for you to request additional certifications as we continue the review of industry-based credentials against a prescribed set of criteria for inclusion in accountability.

A separate survey must be used for each individual certification requested (e.g., Microsoft Office Specialist (MOS) Word and Microsoft Office Specialist (MOS) Excel). If correct titles are not used, we will be unable to consider the requested certification.

The [survey](#) will close on May 18, 2018. If you have questions about this survey or the certifications, please contact [Karen.Grad@tea.texas.gov](mailto:Karen.Grad@tea.texas.gov).

Sincerely,

Heather Justice
