Subject: Update on English I and English II STAAR Interim Assessments Available for Administration in Window 3

To the Education Service Center and District Testing Coordinator Addressed:

The purpose of this communication is to notify Texas public school districts and open-enrollment charter schools of a minor change to the State of Texas Assessments of Academic Readiness (STAAR®) Interim Assessments available during administration window 3.

When the interim assessments administration window 3 opens on January 10, 2022, the English I and English II assessments available in the Test Delivery System (TDS) will be the same tests that were available during administration window 1. New versions of English I and English II interim assessments will be available to administer through TDS beginning on February 7, 2022. English I and English II interim assessments are the only assessments affected by this update.

We apologize for any difficulties this change may cause. If you have questions about the information in this communication, submit your inquiries to TEA using the [Student Assessment Help Desk](#).
