State Definition

“...gifted and talented students” means a child or youth who performs at or shows the potential for performing at a remarkably high level of accomplishment when compared to others of the same age, experience, or environment and who:

- Exhibits high performance capability in an intellectual, creative, or artistic area,
- Possesses an unusual capacity for leadership, or
- Excels in a specific academic field.

State Goal for Gifted/Talented

Students who participate in services designed for gifted/talented students will demonstrate skills in self-directed learning, thinking, research and communication as evidenced by the development of innovative products and performances that reflect individuality and creativity and are advanced in relation to students of similar age, experience, or environment. High school graduates who have participated in services for gifted/talented students will have produced products and performances of professional quality as part of their program services.

G/T Tuesday

- Morning Edition - occurring at 9:00 am (CST)
- Afternoon Edition - occurring at 1:00 pm (CST)

This year will have guest speakers addressing different areas of gifted/talented education. Monica Brewer will continue to review sections of the Texas State Plan for the Education of Gifted/Talented Students and answer your questions about program services.
